CAMPING INFORMATION & REGISTRATION

Camping facilities are available for teams registered for this year's North Cornwall Cup event. The option of camping began in 2010 and proved hugely popular as it provides clubs and families with the option of a weekend football tour to the coast without needing to spend unrealistic amounts on tournament fees and accommodation at a time when finances are tight for so many.

For £8.00 per person you will receive:

- An area for your tent to be pitched alongside team-mates
- Changing rooms as part of the towns local football club including showers
- On site toilet facilities and portal loos where necessary
- On site clubhouse, licenced bar, TV and food kitchens with respectable prices
- On site security where necessary during unstaffed hours
- Includes event fireworks

The camping facilities are located just a 5 minutes walk from Bude Town centre. The main beaches are around 10 minutes walk away and the football itself is approximately a 15 minutes walk or 5 minutes drive.

Camping is available on the Friday, Saturday and Sunday through the competition but can be extended as required – please contact regarding this and simply add these details when returning the form.

NORTH CORNWALL CUP 2027 CAMPING
